

# Check your fruit

## Part 7- Faith

Have your parents ever promised you something? How do you feel when you are waiting for that promise? Do you think that your parents will come through with their promise? Believing that they will do what they promised even though you have not seen it— is called Faith.

Faith is the last the fruit of the spirit. Faith is believing that God will do what he said he will do— even when you have not seen it yet. Abraham is a person that we think of when we think about faith. He left his whole family and went where the Lord told him to go— just because of faith. He later was told that his wife was going to have a baby even when she was old. Later on the Lord asked him to sacrifice that son on the alter to him. Did you know that every time the Lord asked him to do something the Lord stepped in and helped him.

1. What is something that you parents promised you that they kept your promise?
2. Do you keep your promises?
3. Have you ever used your faith?

**Thank you Jesus for being so faithful to me when I reach out to you in Faith!**

**“NOW FAITH IS THE SUBSTANCE  
OF THINGS HOPED FOR THE  
EVIDENCE OF THINGS NOT  
SEEN.” HEBREWS 11:1**
