

# God Made You, God Made Me

---

You are very special to God. He made you and he made me. He put you in the perfect family just for you! Can you sing this song to the tune of "This old man"?

God made you; God make me.  
God made all of us differently,  
Some live here and some live there  
But God's big love lives everywhere.

God made you: God made me.  
God make everyone we see.  
We're all a part of his family.  
God made just perfectly.

---

Did you know that God made all of you? Let's pray together while we pray touch each part of your face.

Dear Jesus-

Thank you for my nose.  
Thank you for my eyes.  
Thank you for my ears that hear.  
Thank you for my mouth to give you praise.  
In Jesus' Name, Amen.

Neat way to pray....

Can you take off your socks and shoes? Now look at your cute little toes. As you touch each of your toes tell your Mommy and Daddy one thing that God created. Can you list ten things that God created? If you run out of toes you can touch each finger too. Didn't God create a great big world for us?
