

LIFE POINT 1: COURAGE

Do you know what the word courage means? It means to be brave. It is the opposite of being afraid. We are starting our new Life Point series today. We will be doing 12 lessons about building God's character in you.

David was a boy that had courage. He was the youngest of all of the brothers in his family. He was a shepherd. God gave him strength to kill a lion and a bear that was trying to kill the sheep. One day his father came and asked David to take some bread to his brothers. He was so surprised when he saw that his brothers and their friends were afraid of a giant that was coming against Israel. David had courage. He said— is there not a cause. He knew that God would help him again.

David went to the brook and got 5 smooth stones. He knew that with God all things were possible. He used his slingshot and killed the giant.

1. Have you ever been afraid?
2. Has Jesus helped you get over that fear?
3. How can you have more courage?
