

MK Ministries News

Look what *your* support has done for our MKs...

First and foremost we want to express our appreciation to you, our faithful supporters. This ministry could not help MKs around the world without you! We also welcome our new supporters. Thank you for your burden for our missionary kids. We currently have 135 MKs on the field and several hundred in North America.

Here is a brief overview of a few exciting things that your support has brought about this summer with MK Ministries:

- MK Ministries full-time office opened on June 1st
- *Between Worlds*- New e-magazine for twelve to eighteen year olds was established. We also have *Culture Shock* for ages eighteen and older and *Passport Kids* for ages eleven and under. These are available at www.upwithmks.com/publications.html
- Developed weekly e-devotionals (called e-votionals) for our MKs in four age groups. They are available at www.upwithmks.com/publications.html
- Organized and raised close to \$9000.00 in support for our MK Retreat. This was the first time MKs were able to fly in from all over the world. The scholarships also assisted them with the cost of the retreat.
- Held our 2008 Relentless MK Retreat in August. This year ninety-three MKs attended. This was a great time of sharing, learning, refreshing in the spirit and flat out fun! An article and several pictures featuring this retreat can be found in the winter 2008 edition of the *On Site* magazine.
- Carla Burton and Cylinda Nickel taught at the School of Missions in Carlinville, IL. There were 17 Mks this year from infants to 16 year olds.
- Secured a full-time college consultant who is available to help our college aged MKs get financial aid, scholarships, and grants at any college in the United States. MK Ministries helps with a part of her fees for all MKs whose parents currently serve under full appointment.
- Served as a care center for many MKs who went through times of loss, sickness, and were in need of help.
- Updated our database which now has information on over 500 MKs.

As you can see, MK Ministries is on the move! Thank you for partnering with us!
