E-Votional ages 6-11

This week's E-Votional is more of a homework project for you. Are you making room for prayer in your life? I want you to re-commit to praying at least 5 minutes per day. Here is a great website that I want you to go on to get some great ideas okay?

[www.kidsprayer.com](http://www.kidsprayer.com)- there is a section there just for you the MK- and also a section for your parents. This is a great tool for you to get ideas of new ways to pray, and to also renew yourself.

II Corinthians 4:16 says:

"Though outwardly we are wasting away, yet inwardly we are being renewed day by day." The way you can be renewed is through prayer. Why don't you email me and let me know a fun way that you pray? Have a great week! God Bless you- Cyllinda N.
