6. I don't picture myself living in the US for the rest of my life.

7. I graduated from college in three years.

8. I did my Masters and PhD. in 5 years. I don't tell many people this though because I feel like a nerd.

9. My 10 year wedding anniversary is this May. Sometimes it seems like yesterday that I got married and sometimes it seems like I've been with Jonathan my whole life. That's a good thing :)

10. I have the most incredible extended family on the face of this earth. We are uber close.

11. I have worked at the same school since I finished grad school. I love my co workers and students!

12. I like to try new things and I used to be more adventurous. I HATE motorcycles though (You heard me Jon!)

13. I'm super organized and love to make lists. My friends have accused me of scheduling vacations to the minute. Hey we saw everything didn't we???
