

Will you give him worship?

An older lady, who had just could not handle contemporary worship, was complaining about a particular song used in the worship service at her church. A fellow worshipper responded, “Why, that is not a new song — it is a very old song! David sang that song to Saul.” The older lady replied, “Well now, for the first time, I understand why Saul threw the javelin at him when he sang.”

While this is probably not why Saul was upset- we know that the enemy does not like it when we worship and praise the Lord. He will try to keep us from worshipping any way he can.

How about you? Are you keeping worship and praise a priority in your life? Have you spent time with HIM today? Have you felt his presence? Many times it is easy to rely on others around us to build the worship in a service. We wait for them to “warm up” and then join in. How about YOU being the fire starter this week in your service? Your worship to HIM can make all the difference in your life and in the lives of others around you!

They that worship him must worship him in spirit and in truth!
